The Honorable H.E. Ion Iliescu  
President of Romania  
c/o Embassy of Romania  
1607 23<sup>rd</sup> Street, NW  
Washington, DC 20008

Dear Mr. President:

We are writing to request your assistance in providing access to Romanian government archives that may relate to insurance policies sold in Romania between 1920 and 1945. This information is vitally necessary to help Romanian Holocaust survivors and their families locate assets sold by Italian and Eastern European companies that did business in Romania before World War II.

Over the course of the last two years, the U.S. House of Representatives' Committee on Government Reform has conducted oversight of the efforts to ensure efficient and appropriate resolution of Holocaust-era insurance claims. At the Committee's most recent hearing on September 16, 2003, witnesses from the State Department, the International Commission on Holocaust Era-Insurance Claims (ICHEIC), and the Conference on Materials Claims Against Germany, and other experts on this issue stressed the importance of access to Eastern European archives. They testified that such access by ICHEIC researchers could help survivors verify the existence of Holocaust-era insurance policies and submit claims with the appropriate companies.

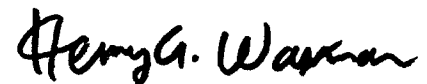

Therefore, we urge the Romanian government to give ICHEIC researchers the immediate cooperation and access to Romanian government archives regarding insurance policies so that they can determine whether there are any documents that could benefit elderly Romanian survivors seeking a measure of justice for family members persecuted by the Nazis.

The Honorable H.E. Ion Iliescu  
President of Romania
